Visitors with restricted mobility

Most of the site is wheelchair accessible, though at busy times we may allocate touring pitches that require a walk up a rather steep hill. Please inform us of any special requirements at time of booking, and we will do our best to accommodate. The club has priority pitches for the mobility impaired, close to the main buildings. We also have disabled shower and toilet facilities, and the clubhouse is fully wheelchair accessible. Assistance may be required to get in and out of the pool, and we regret that access to the family room and the woodlands is not possible for wheelchair users.
